

Terms and Conditions – Dog Guests

We are a family of dog lovers and are happy to welcome well behaved dogs to Ceomara Cottages. Wester Ross is a doggy paradise and there are numerous walks directly accessible from our garden. Please be aware that ticks are prevalent in the area.

If you choose to stay at Ceomara Cottages with your dog you are agreeing to the following conditions:

- Your dog must not be allowed to roam unattended in the garden as it is shared with another cottage.
- Your dog must not be allowed onto furniture, including beds.
- A cage or crate for your dog would be preferred, but at the very least you should provide an appropriate bed.
- Your dog is not to be left in the cottage unattended.
- You must clean up after your dog, internally and externally. Any dog mess in the garden should be removed immediately.

We do not charge any extra for your dog to stay at Ceomara Cottages, but we reserve the right to levy an appropriate charge should any extra cleaning be required.
